JANA LOPEZ SABILANO

CREATIVE LEAD

Creative Direction · Brand Development · Hands-on Design

Marikina, Philippines | its.jana.lopez@gmail.com | 09561981313

Senior creative professional with 20 years of experience spanning brand development, advertising, editorial design, and digital campaigns for LexisNexis and other corporate brands. This includes 11 years with Reed Elsevier Philippines, supporting LexisNexis US and Canada. Translates business objectives into clear visual concepts and carries projects from initial direction through final design. Combines hands-on execution with the judgment to challenge briefs, recommend solutions, and guide stakeholders on brand and visual quality. Has developed creative approaches used across US and Canadian marketing, mentored designers across segments, and led a multidisciplinary marketing team.

CORE EXPERTISE

Creative Direction · Concept Development · Brand Identity and Visual Standards · Integrated Campaign Design · Advertising and Digital Design · Editorial and Publication Design · Typography and Layout · Visual Quality Assurance · Stakeholder Advisory · Designer Mentoring

PROFESSIONAL EXPERIENCE

SENIOR CREATIVE SUPERVISOR

Reed Elsevier Philippines | Supporting LexisNexis Canada Marketing | 2024–Present

- Shape creative concepts and translate stakeholder objectives into effective visual communication for Canadian legal audiences.
- Guide projects from concept through final production, reviewing and approving visual design across advertising, digital publications, social media, and corporate web assets.
- Provide hands-on design support, resolve complex creative challenges, and maintain delivery during staffing gaps.
- Lead seven direct reports across creative design, web development, digital marketing, customer experience, marketing, and advertising, aligning delivery with stakeholder priorities.
- Strengthen design capability through brand guidance, creative feedback, and mentoring.
- Lead practical AI adoption and develop operational workflows to improve team coordination and reduce manual administration.

CREATIVE SUPERVISOR

Reed Elsevier Philippines | 2017–2023

- Managed creative projects from initial brief through final production, translating stakeholder requirements into branded marketing materials.
- Originated the gradient concept and initial design adopted across LexisNexis US marketing segments, guiding subsequent iterations and later adapting the approach for selected Canadian materials.
- Directed and produced campaign assets across print, digital, and event environments, maintaining consistent visual standards across formats.
- Coached team designers on brand application, imagery, typography, and layout, providing actionable feedback to strengthen their work.
- Improved project coordination and quality review through team processes and administrative tools.

SENIOR CREATIVE DESIGNER

Reed Elsevier Philippines | 2016–2017

- Served as a subject matter expert on LexisNexis brand guidelines, helping designers interpret and apply standards consistently.
- Led daily team reviews and introduced design spot checks to support quality assurance and continuous improvement.
- Developed project coordination tools, productivity dashboards, and scorecards to improve visibility into team workload and performance.

CREATIVE DESIGNER

Reed Elsevier Philippines | 2015–2016

- Designed marketing and campaign materials for LexisNexis, applying brand guidelines across print and digital formats.
- Collaborated with copywriters, traffic coordinators, and fellow designers to translate briefs into consistent, production-ready collateral.

EARLIER CAREER

Marketing Communications Senior Specialist | Xerox Philippines | 2014–2015

Developed targeted email campaigns, led graphic and video production for pre-bid presentations, and adapted marketing materials to corporate brand standards.

Marketing and Digital Specialist | MicroSourcing / MicroCreatives | 2012–2013

Led creative services marketing, managed a multidisciplinary team, and developed website content while working directly with prospective clients.

Web Marketing Specialist | IBM Philippines | 2009–2012

Managed creative projects and branding for corporate communications and recruitment marketing, with web content and design support for overseas units.

Multimedia Specialist | Globedez Philippines | 2008–2009

Developed brand communications for corporate and consumer clients across graphics, video, and web.

Graphic Designer / Motion Graphic Designer | Imagic Productions / Regal Entertainment | 2006–2008

Conceptualized brand identities, edited video, created motion graphics, and wrote advertising copy and documentary scripts.
